

We reach out to our communities to build success.

Cyndi Garcia takes a bilingual approach in creating success for her rural neighbors. As a USDA Rural Development Technician in Alice, Texas, she reached out to Hispanic residents using Spanish public service radio and TV announcements. Working with local leaders, she brought the message of USDA Rural Development's new housing programs to her entire community. Garcia thinks outside of the box to translate the American dream.

Learn more about how USDA Rural Development can make a big difference in your community. Contact your local office or visit www.rurdev.usda.gov.

Committed to the future of rural communities.

USDA is an equal opportunity provider and employer.
